Important Notes

Valid forms of ID include government-issued photo ID (e.g. Driver's license or passport) along with a document that confirms your address (e.g. copy of a credit card statement, or recent utility bill). Please ensure that the address on one of the IDs matches the address information provided on your account application. If you have provided a P.O. Box, please note that we will require confirmation of your residential address. You may blackout sensitive information from your credit card or bank statement.

For government-issued photo ID, the identification number, date of birth, date of issue and expiry date must be visible on the copy or the scan you send to us.

After successful registration, you will receive an email with a confirmation link to activate your account.
